MEMORANDUM FOR:

[REDACTED]

25X1

Director, General Defense Intelligence Program

SUBJECT:

FY 1982 SENIOR YEAR Reprogramming

REFERENCE:

Your Memo, dated 23 July, same subject, S-128DG

1. The proposed plan for the expenditure of the excess SENIOR YEAR funds is agreeable. We understand that the program office has stated that adequate funding reserves exist to cover any potential cost escalation in the airframe price. [REDACTED]

25X1

2. Although the reprogramming action can be accomplished within established thresholds, the previous involvement of the Congress in the reprogramming actions to procure airframes dictates they be notified. [REDACTED]
